Viva is a story of betrayal between two old friends who forget what's important in life.... wrestling and tacos.

Sometimes when the strongest bonds snap the only way forward is to serve a bowl of cold, hard revenge.

It will take more than blood, sweat and ketchup to reunite their time tested friendship otherwise they risk plunging into the darkness of the 9 levels of hell.

Full of vibrant Mexican culture, Mariachi, Luchadors, and Day of the Dead offerings, Viva fuses the laughs of a clown show with high octane energy of wrestling delivering extreme stupidity you haven't experienced before.

With a thrilling blend of comedy clowning, puppetry and Mexican wrestling – Lucha Libre – as well as utilising a classic Hollywood Spaghetti Western revenge plot, Duncan challenges your concept of clown while seemingly creating a new genre within the style that is simply not to be missed.

He is able to tell his story without the use of text, focussing on the physical rather than the verbal comedy that makes this piece quite accessible.

Sample Press Release

VIVA!!! - a spaghetti western revenge story wrapped in a tortilla of idiocy.

After working a year long contract abroad as a clown in Macau, China on “The most electrifying stunt show” -*ELEKRON*, Canadian performer Duncan Cameron is bringing to Brighton Fringe an exciting new show that will really spice up your fajitas, called **VIVA!!!**

With a thrilling blend of comedy clowning, puppetry and Mexican wrestling - Lucha Libre - as well as utilising a classic Hollywood Spaghetti Western revenge plot, Duncan challenges your concept of clown while seemingly creating a new genre that is simply not to be missed. He is able to tell his story with minimal use of text, focussing on the physical rather than the verbal comedy that makes this piece quite accessible.

Although *Viva!!!* is a solo show, created and performed by Duncan, he is one-fifth of Teatro Pomodoro, Liverpools own award winning international theatre and clown company. Most notably known for *Cabaret From The Shadows* as well as their new show *Sirens Men and Crabs*. *Viva!!!* is being made in association with them bringing with it their characteristic off the wall comedy that has been likened to that of *League of Gentlemen*, *Mighty Boosh* and *Spymonkey*.

Essentially, if you are keen to have a good laugh, enjoy watching wrestling or ever dreamed of going to Mexico then definitely go see one of the most ridiculous shows on the circuit for only £8 at The Kings Arms Theatre, 11 Bloom St, Salford. July 11+12 at 16:00.

Quotes-

"Hysterically edgy mixture of Quebecois technique and British irony mixed with a dangerous anarchic mix that explodes in laughter or fear from the audience. Duncan will go anywhere for a laugh!" - Paul Cockle – Producer of Redfest, France

"Totally bonkers from start to finish" – Audience Review

"Mind blowing, funny and dark " – Audience Review

"Duncan in his role as a narrator through the use of accordion and voice was compelling to watch in his electrifying engaging energy that made you squirm. His ability to sustain tension and fierceness of emotion is to be commended." - Fringe Review for Cabaret From The Shadows
